Sankalp & Its Importance

Sankalp is a crucial element in performing Puja, representing a determined resolve to undertake the ritual. Before beginning any Puja, the participants make a Sankalp, which is a formal declaration of their intent. To facilitate this process, it is important to arrange information as mentioned in sankalp information sheet provided in this user manual.

The Sankalp Information Sheet includes key details needed during the Sankalp, such as the Hindu year, month, tithi, day, date, country, city, participant's name, and gotra etc. These details must be recited as instructed by the pundit during the Puja.

You can obtain this information from the Panchang section on our website by selecting the date and city where the Puja will be conducted. Alternatively, other online panchangs can also provide the necessary details

During Sankalp Required information

The participants should keep the following information ready, which the participants should chant during the pooja during Sankalpa as per Pandit ji instructions.

Year as per Hindu calendar

Month as per Hindu calendar
